The Bambach Saddle Seat

ENDORSED BY

AUSTRALIAN PHYSIOTHERAPY ASSOCIATION

Bambach Saddle Seat™

- Seat tilt 5° backward, 10° forward.
- Swivel.
- 5-star base.
- Meets California TB 117 flammability standards.

Bambach Saddle Seat™ with Backrest

- Backrest angle adjustment 30°.
- Backrest height adjustment 3" (76mm).

SADDLE SIZES

"Regular" fits most adults and children.

"Narrow" is for people with very stiff ships, certain hip joint abnormalities, and can also work for very small folks.

"Large" is preferred by many men and is also more comfortable for women with thicker thighs or pelvis.

"Small" is for toddlers and small children up to 6 years.
